

Searching for a solution for FATCA compliance?
LexisNexis® Guide to FATCA Compliance has the answers.

LexisNexis® Guide to FATCA Compliance

Prof. William H. Byrnes, IV and Dr. Robert J. Munro

The most indispensable and up-to-date publication on the market for understanding the final U.S. Treasury FATCA regulations.

LIMITED TIME INTRODUCTORY OFFER:
Order today and receive a 20% discount.

With final Foreign Account Tax Compliance Act (FATCA) regulations now in force, the need for compliance officers, tax advisors, counsel and other strategists to design a plan of action for the enterprise is imperative. Releasing in May 2013, this first edition of *LexisNexis Guide to FATCA Compliance* will provide the financial enterprise's FATCA compliance officer the tools for developing a best practices compliance strategy, starting with determining what information is needed for planning the meetings with outside FATCA experts.

- **Fully examines the final Treasury regulations** issued in January 2013
- Analysis of the regulations, recognition of overlapping complex regime and intergovernmental agreement requirements is balanced with **substantive analysis and descriptive examples**
- **Contributors hail from several countries and an offshore financial center**, and include attorneys, accountants, information technology engineers, and risk managers from large, medium and small firms and from large financial institutions
- Challenges of the FATCA compliance officer are approached from **several perspectives and contextual backgrounds**

\$250 \$200.00* 1 volume, softbound, updated annually, ISBN 9780769853734
